

# PoolShark®

## Inground Pool Cleaner

By Pentair Water Pool and Spa®

## Powerful two-way cleaning...hands free

Now there's an easier, more thorough way to clean your inground pool. Remove PoolShark® from the box, attach the hose, place it in the water and watch it attack dirt as it prowls around the bottom and to the waterline of your pool. This is the "Plug and Play" cleaner you've been waiting for.

- Two-way cleaning action—vacuum pad contains multiple rows of squeegee-like fins that scrub and dislodge stubborn dirt, while the flapper assembly and vortex chamber create a powerful suction effect to easily vacuum away small and large debris.
- No need to buy, install or operate an expensive booster pump – works with your existing filtration system.
- Cuts a wide 12" path for maximum cleaning efficiency.
- Effectively cleans gunite, fiberglass, vinyl and other specialty surfaces.
- A complete system—includes hose, vacuum regulator valve, hose weight, eyeball diverter, and Vac Port door fitting.

Rows of squeegee-like fins scrub and dislodge stubborn dirt so it can be vacuumed away.

## Plug and play and walk away

With PoolShark®, automatic is really automatic. It steers itself to completely clean all surfaces and avoid hang-ups in corners or near steps or ladders. Other key features include:

- Automatic valve regulates water flow to set optimum travel speed for consistent cleaning of the entire pool surface.
- Wide body design allows PoolShark to cut a broad 12" path for speedy completion of its cleaning chores.
- Consumes no additional energy – it works when your existing pool circulation system runs.
- No bags or compartments to empty, all debris goes to your filtration system...where it belongs.
- Installs in minutes without tools.
- Performs flawlessly in gunite, fiberglass, tile or vinyl pools.
- Two-year limited warranty. See warranty for details.
